

## Gift Information:

To purchase a brick, fill out the order form on the back of this brochure and submit it to Charles Mears State Park along with a check, money order or credit card information.

Memorial bricks come in three sizes and can be engraved with 3-5 lines of up to twelve letters and spaces per line.

Charles Mears State Park retains the right to turn down text that is deemed to be inappropriate or offensive.

Memorial bricks will be installed in the beach walkway during the spring and fall of each year.

Memorial bricks remain the property of Charles Mears State Park for display in the beach walkway. If, in the future, the bricks are removed from the beach due to park improvements, park staff will attempt to contact the original donor and return the brick.

If you have any further questions regarding the donation of a memorial brick to Charles Mears State Park, please contact the park supervisor.

Check with park staff for updates on the status of our fundraising as it may take some time to reach our goals.

*Thank you for your donation!*

Charles Mears State Park is currently replacing the beach front walkway and memorial bricks can now be purchased for installation. A memorial brick is a wonderful way to honor the memory of a friend, family member, pet or business. In addition to improving the walkway, funds raised through the sale of the bricks will go towards the purchase of new playground equipment, a handicapped accessible walkway to the water's edge and additional park improvements.

Mail or drop off order form, along with payment, to:
